

Conewago Creek Restoration

This past summer, Phase Four of the Conewago Creek Restoration was completed at the intersection of Route 230 and Hoffer Road. Expanding upon the work completed during Phases One through Three, Phase Four was undertaken with two major goals in mind: removing legacy sediment and restoring the site to historical floodplain conditions.

Legacy sediment is sediment that has eroded from upland sources and been transported to another location, typically downstream. After centuries of legacy sediment accumulation along the banks of Conewago Creek, the natural floodplain was buried and many steep banks formed. This change in the landscape led to multiple issues, including increased flooding and degradation of Conewago Creek. Removing this legacy sediment helps remedy environmental damage and restores the Conewago Creek to its historic conditions, creating a thriving ecosystem that benefits both the wildlife and our community.

Phase Four of the Conewago Creek Restoration encompassed a total of 5.5 acres of land and included 1,540 linear feet of waterway, resulting in the removal of approximately 20,000 cubic yards of legacy sediment. To ensure

BEFORE

the long-term success of Phase Four, crews installed 900 linear feet of log sills and planted more than 2,000 native plants across the floodplain. These efforts will help stabilize the landscape and create habitat for local wildlife.

With Phase Four complete, the Conewago Creek Restoration now spans the entire length of Hoffer Road, starting at Brills Run and extending down Hoffer Road to the Route 230 bridge. This milestone marks a significant improvement for both the environment and the community!

Phases One through Four have collectively restored 20.5 acres of

Tax Collector Notes

Erika H. Zinkan, Tax Collector • 717-944-2842
2900 E. Harrisburg Pike • Middletown, PA 17057

Hello from the Londonderry Tax Office

School district real estate and personal bills should have been received by now. If you have not received yours, please contact the tax office at 717-944-2842 or drop by during office hours to get a copy.

In order to qualify for school real estate tax payment installment option, the first payment is due before August 31st. The second payment is due by **October 31st**. The third, and final payment is due by **November 30th**. After November 30th the 10% penalty applies.

Reminder: Personal tax has only a partial exemption. Only the occupation portion is the amount that is exempt if any of the following applies: 1) Fulltime student – see exempt form for conditions. 2) No occupation or will earn less than \$6,000.00 for year 2026. 3) Permanent zero occupation as of July 1, 2026 AND do not plan to return to work. 4) Member of clergy with no other occupation. 5) Age 70 or older as of July 1, 2026.

Have you ever wondered how Tollhouse Road got its name? That's right, it is because it used to be a toll road. Before there was a Pennsylvania Turnpike, there was a toll road along Rte. 230 going to and from Lancaster, Elizabethtown, and Middletown. Appropriately named, Lancaster, Elizabethtown and Middletown Turnpike Road. From March 23, 1796 until the early 1900s this privately funded tollway with stops along Rte. 230 was an extension of the oldest turnpike, Philadelphia-Lancaster Turnpike. Fees for this road (see tickets below) were collected for the maintenance of this main thoroughfare. Across the street from the Londonderry Tax Office and TLC Quilting, is a white

garage which was originally situated behind the house that was along the edge of the road on Rte. 230.

Large rocks, stumps from clearing the land, and muddy paths damaged wheels and got wagons stuck. A road layered with hand crushed stones and shredded lumber was worth the "investment". Users would stop at the tollhouse. After receiving the toll, the tollkeeper would turn the pike (a vertical pole with a horizontal bar) to allow access to the road. The toll road was sold to the state in 1917 and stopped requiring tolls. In the early years following the sale, travelers continued to stop at the tollhouse and offer payment.

Built in 1795 by the Whye family, the house became a tollhouse in 1796. Nancy, daughter of Sarah Whye, married into the Hayward family and she and her husband bought the house. The tollhouse was in the Hayward family until sold to the church next door.

Over the years the tollhouse was struck by automobiles several times (pictures to the left depict such an occasion). This, however, was not the cause for demolition. Water damage from a leaky basement made it uninhabitable.

Today, traffic passes this landmark without any knowledge of its rich history.

Erika H. Zinkan

Thank you to the Bootay and Hayward families for contribution of photos and content.

Emergency Services

SOUTH CENTRAL EMS

South Central EMS has provided advanced life support service to the citizens of Londonderry Township for the past 20 years. Recently, South Central EMS entered into an agreement to provide basic and advanced life support to the citizens of Londonderry Township. The mission of South Central EMS is to meet the needs and exceed expectations for excellence in pre-

hospital care and transportation by providing cost effective, response time sensitive, and patient oriented care, through our highly trained staff of professional EMS providers.

Please contact South Central EMS with any questions and for memberships. A patient care representative may be reached at 717-671-4020.

Portable Generator Safety Tips

Take precautions for your safety and the safety of those working to restore your power

ALWAYS

- Read and follow all manufacturer's operating instructions.
- Use your generator outdoors, away from open windows, vents or doors.
- Allow the generator engine to cool at least 2 minutes before refueling.
- Store the recommended type of fuel for the generator in an approved, properly labeled safety can.
- Maintain your generator according to the manufacturer's schedule.
- Have a battery-operated carbon monoxide alarm to check for deadly buildup.
- Turn off the generator and let it cool before refueling to prevent a fire.
- Start or stop the generator **ONLY** when no electrical loads are connected.
- Allow at least 4 feet of clearance on all sides of the generator when it is operating.

- Keep children away from generator at all times.

NEVER

- Never use a generator inside your home, garage, basement, crawl space or enclosed area, even with ventilation, as carbon monoxide buildup can kill.
- Never operate the generator near combustible materials.
- Never plug your generator directly into your home outlet as this presents an electrocution risk to utility workers and neighbors served by the same utility transformer - have a qualified electrician install a power transfer switch instead.
- Never operate a generator under wet conditions or touch it with wet hands (put it on a level, dry surface under an open, canopy-like structure).
- Never overload the generator or connected appliances and components can be damaged.
- Never cut corners when it comes to safety.

REFLECTIVE SIGNS

Emergency reflective signs are being sold by the Londonderry Fire Company. They make it easier for emergency personnel to locate your home at night.

Just fill out the order form and mail it back with payment to the Londonderry Fire Company.

LONDONDERRY FIRE COMPANY NO.1

2655 Foxianna Road • P.O. Box 324 • Middletown, PA 17057

To our residents of Londonderry Township, I am hoping you all had a great summer. Your 100% volunteer fire company has remained busy providing response to calls of service and training.

Your 100% volunteer fire company continues to average about 1 call for service per day. We also continue to have In-House Training and Mutual Aid Training with the Middletown Fire Department, Lower Swatara Township Fire Department and all of our other mutual aid departments. Along with all of that training the newer members continue to attend training at HACC in hopes of completing all necessary classes to become a PA State Certified Firefighter I.

Entering the fall season means Fire Prevention week is right around the corner, the dates this year are October 4th – October 10th. During this time, we will visit the Londonderry Elementary School and any other requests that come in to teach our children about fire safety. This year's theme is "Charge into Fire Safety" which is meant to understand the safety of charging electronics.

A few other items as we approach the fall and winter seasons. Please remember to keep driveways clear and for those that have trees lining the driveway we recommend that those trees be trimmed to allow

the 10-foot-high fire trucks to clear. We suggest that you change the batteries in your smoke and carbon monoxide detectors when you change your clocks. If you have a fire place in your home, we suggest that you have your chimney cleaned and inspected.

I am sure you are wondering where we are at with some of our "Big Ticket" projects. At the time of this writing:

- Engine 54-1 replacement project is actually nearing completion. We are scheduled to fly to the KME Plant in Louisiana at the end of September for final inspection. Once the unit is delivered it will need to have the tools mounted locally by Specialized Fire Equipment in Middletown. Upon completion we will then begin driver's training for our staff. As a reminder this project is being funded through a 2022 Gaming Grant (\$155,000.00) and our Londonderry Township Supervisors have secured a loan from the USDA.
- Engine 54 refurbishment project is starting for a cost of about \$450,000.00. This project is also being funded by a Gaming Grant (\$150,000.00) with the remainder being funded out of our general fund. One thing to note is that since we chose to refurb instead of replace it will save about \$600,000 - \$700,000.
- UTV (Utility Task Vehicle) project is nearing completion. The fire company was able to purchase the UTV with fire suppression capabilities and also patient care capabilities

Continued on next page

Emergency Services

Continued from previous page

for roughly \$71,000.00 and a utility trailer for \$7,000.00. This unit will be an added asset for accessing woodlands, railroad tracks and open farm fields.

- Inflatable Boat project is nearing completion. The fire company was able to purchase the inflatable boat, trailer and motor for about \$21,000.00. This unit will not only be used on the Susquehanna River but also in the Swatara and Conewago Creeks, as well as flood waters.

As you can see above some of the money needed to do these projects and also keep the firehouse operating day to day requires the continued work with our Township Supervisors and you the contributing citizens. The 2026 annual fund drive letter should have reached your mailboxes, if you have not contributed and would still like to you can mail a check or use the link <http://2026fund.londonderryfire.com> to make a contribution.

The Fire Company has the following upcoming fundraising opportunities. We continue to hold bingo on the 2nd Sunday of every month beginning at 2:00 PM, doors open at 12:00 PM. Also, if you are looking to get out but not far from home on New Year's Eve

we will be having bingo on December 31st beginning at 7:00 PM, doors will open at 5:00 PM and there will be a buffet style meal offered.

The department currently has 40 eligible men and women ranging from ages 14 and up eligible to respond to incidents. However the difficulty with the volunteer fire service is having all those folks available at the same time when there is an emergency. So, are you 14 years of age or older and willing to learn and train to become a fire fighter and serve the community? No prior experience is necessary; we will provide and pay for all entry level training and any continued training that is required. Don't want to run into a burning building but still want to contribute? You could become a fire police officer, someone who can assist at fundraising activities, public events or administrative functions. The fire company offers free training, a live in program, free internet and free use of gym equipment. We also have been able to institute an incentive program that when fully qualified could earn you up to \$3,000.00 a year. This program is paid quarterly in Visa Gift Cards. Thank You to the Londonderry Township Supervisors! Dauphin County

**Thank You and
remember to follow
us on Facebook at
Londonderry Fire Company.**

Emergency Services

also currently offers a \$250.00 real estate tax rebate to those that qualify. Still have an interest in becoming a member or have any questions, please feel free to send a message to firechiefs@londonderryfire.com, or give us a call at 717-944-2175 X 1.

Municipal Office

From Township Manager

Township to Pay Off Fire Hall Mortgage

In March of 2008, Londonderry Township took on a 40-year mortgage for the construction of the Volunteer Fire Hall on Foxianna Rd. The Township has been making on time payments since that time. Now, due to a proactive approach to budgeting and paying off debt, the Township Board of Supervisors, at their August 3, 2026 meeting, approved a Resolution to pay the entire

remaining balance of the mortgage off 22 years early. Doing this will save Londonderry taxpayers over \$485,000 in interest that would have been earned on the loan. This move will help the Township and Fire Department to continue to meet growing financial needs into the future with the goal of not raising taxes.

Recreation

WINTER ...
Doesn't Have To Mean Putting
Your Golf Clubs Away!
Here are the Winter Rates for Sunset
Golf Starting November 1st.

9 Holes (After 1pm): Walking: \$22 – Riding: \$27

Board of Supervisors Actions for Spring

Below is a list highlighting some of the actions taken by the Board of Supervisors since last meeting. Full minutes of each meeting are available on the Township website.

- Approved Londonderry Township Volunteer Fire Police to participate in multiple events.
- Approved the notice of intent of award, issue of award, and notice to proceed to DSW Services LLC, for the Water Street Meter project at a bid of \$92,650.00.
- Approved the purchase of a new engine for a GP400 Triplex Mower by Lawn & Golf Supply Company, Inc. at a cost of \$3,892.18.
- Approved the seasonal hire list for 2026 for Sunset Golf Course as submitted.
- Approved a proposal from Guardian Protection in the amount of \$11,389.32 with a \$66.95 monthly service fee for a new video surveillance system at Sunset Golf Course.
- Approved the purchase of asphalt and stone from Byler Quarries at a cost of \$3,618.50
- Approved the purchase of supplies to replace storm pipes and repair potholes on Roush Road, Round Top Road, and Braeburn Road at Cap COG pricing of \$16,453.83
- Approved pest control for the Township Office, Public Works Building, Golf Course Clubhouse and GC maintenance Building from Tomlinson Bomberger at a total cost of \$2,080.00.
- Approved the purchase of crack sealing material and the rental of a crack sealing machine from Seal Master at a cost of \$6,526.00.
- Approved the annual herbicide spraying for Sunset Golf, Public Works, and Twp park areas from Tomlinson Bomberger at a cost of \$3,850, to be split between the Golf and General Funds.
- Approved Resolution 2026-20 applying for a grant from DCNR for the Sunset Park Concession Stand Rehabilitation Project.
- Approved applying for a Community Conservation Partnership Program (C2P2) Grant in the amount of \$400,000 for the Sunset Park Concession Stand Rehabilitation Project.
- Approved Resolution 2026-17, Authorization to close LVFC Capital Construction Mid Penn Bank Checking Account.
- Approved the purchase and installation of a new Township Building freestanding sign from RPM Signs and Lighting at a cost of \$8,227.00.
- Approved Resolution 2026-19 regarding the disposal of (9) 8 feet wooden picnic tables.
- Approved the closure of Water St. from Hollendale to the boat ramp access drive during the May 23rd, 24th and 25th Air Show.
- Approved Resolution 2026-18 in support of America250PA.
- Approved the purchase of seven range mats from Wittek Golf Supply at a cost of \$2,519.93.
- Approved to publicly advertise a bid for labor and related activities for the replacement of the Zion and Gingrich Rd bridges.
- Approved a request from Hope Within Ministries to co-sponsor a 2026-27 Dauphin County Gaming Grant application.
- Approved a request from Brittany's Hope to use the Township parking lot as a rest area on June 28, 2026, contingent upon the receipt of satisfactory insurance coverage.
- Approved Resolution 2026-21 authorizing the payoff of the 2021 Dauphin County Infrastructure Bank (DCIB) Loans.

Board of Supervisors Actions for Spring ... Continued

- Approved new park swings from WillyGoat at a cost of \$3,740.00.
- Approved a quote from Alpha Space Control for line painting of Township Roads through the CapCog contract at a cost not to exceed \$15,820.00.
- Approved the purchase of supplies to replace storm pipes on Roush Rd, Round Top Rd, Braeburn Rd, Miller Rd, and Swatara Creek Rd at CAPCOG pricing of \$25,253.83.
- Approved the purchase and installation of an AMGO Hydraulic Floor Lift from JMC Equipment at a cost of \$6,064.80.
- Approved electrical work related to the Floor Lift at a cost not to exceed \$2,000 from Brenaman Electrical Service, Inc.
- Approved the purchase of a security monitoring system for Sunset Golf Course from Guardian Protection at a cost of \$4,252.67.
- Approved the 2026 Thursday Night Entertainment Schedule and payouts for a total of \$10,655.
- Approved a new 4-year copier lease for the public works department from Higher Information Group at a cost of \$3,065.76.
- Approved a proposal from Industrial Appraisal Company in the amount of \$6,975.00 for insurance appraisal services.
- Approved the final pay application for DSW Services in regard to the River Rd Water Meter project in the amount of \$92,650, as recommended by the Township Engineer.
- Approved a quote to replace Codes Office windows at a cost not to exceed \$3,250.00 from SMCR Remodeling & General Contracting LLC.
- Approved change order #3 for contract # I-131.18 with Land studies in the total amount of \$5,500 for additional Cattail treatment at the Conewago Creek Restoration Site.
- Approved the repairs to the 2007 F550 Dump Truck in the amount of \$5,759.82 from SEI, Inc.
- Approved the replacement of the well pump at the public works building from Peiffer Plumbing at a total cost of \$2,130.18.
- Approved the full-time hire of Jesse Hamilton for the position of Golf Course Manager.
- Approved a revised Retainer Agreement between Londonderry Township and Herbert, Rowland & Grubic, Inc to perform duties as the Township's Engineer.
- Approved Resolution No. 2026-23 authorizing the payoff of the USDA Fire Station Mortgage in the amount of \$613,649.90, together with any accrued interest and applicable fees, and authorizing the Township Manager and Finance Director to execute all documents necessary to satisfy and release the mortgage. The Board finds that early retirement of this debt will eliminate approximately \$485,255.82 in future interest expense and strengthen the Township's long-term financial position.
- Approved the transfer of \$150,000 from the Golf Course Mid Penn Checking Account to the PSDLAF Savings Account.
- Approved the purchase of greens aerification services and materials from Hummer Turf at a cost of \$8,710 for Sunset Golf Course.
- Approved the purchase of top-dressing services and materials from Genesis Turf at a cost of \$3,506.50 for Sunset Golf Course.

When are Permits Required

This building season we have seen an increase in permit requests for many properties and projects throughout the Township. We are very excited to see property owners and residents working to make their properties better! With this we have also seen an increase in violations leading to enforcement actions and sometimes fines. We understand that sometimes a small project can turn into a big project but to avoid getting a violation letter in the mail, please call the Codes Office first to have a discussion about legal requirements and permits.

If you have questions or concerns about permitting or a project you are considering, please make an appointment to see us, either in the office or at your property and we can discuss permitting and all that goes into seeing your desire for your property come to life.

Codes Department Hours

The Codes Department desires to provide the best possible service to the community. To best serve your time it is encouraged that an appointment be scheduled to speak with the Codes Officer. Appointments can be made Monday through Thursday 9am to 3pm and Friday 12pm to 2pm. Call the office at 717-944-1803 Ext 2 to schedule an appointment.

Zoning Hearing Board Updates

The Zoning Board meets on the third Tuesday of the month at 7 pm at the Londonderry Township Municipal Building at 783 S Geyers Church Rd, Middletown, PA. The Zoning Hearing Board only meets if there is a case to be heard.

The Londonderry Township Zoning Hearing Board has the following cases:

- ZHB26-01: Special Exception for Keeping of Large Pets and Farm Animals (Approved)
- ZHB26-02: Variance for Sign Dimensions (Approved)
- ZHB26-03: Variance for Accessory Structure Size (Approved)

Planning Commission Updates:

The Londonderry Township Planning Commission meets on the second Monday of the month at 6pm at the Londonderry Township Municipal Building at 783 S Geyers Church Rd, Middletown, PA.

The Londonderry Township Planning Commission has reviewed the following plans and ordinances in 2026:

- PC25-08: Sketch Plan for Parcel 34-005-022 (Locust Ln/Round Top Rd)
- PC26-01: 1965 Pecks Rd Preliminary Final Land Development Plan (Ag Expansion) (Recommended approval to BOS)
- PC26-02: 2053 & 2060 Felker Rd Final Lot Add-on Plan (Recommended approval to BOS)
- PC26-03: Multiple Parcels, Water St Final Lot Add-on Plan (Recommended approval to BOS)
- PC26-04: Parcel 22-018-001 (Conewago Township) Request to Defer Application (Recommended approval to BOS)
- PC26-05: 3505 Engle Rd Final Land Development Plan (Ag Expansion) (Recommended approval to BOS)
- ZHB26-04: Appeal of Zoning Officer Determination (Denied)
- ZHB26-05: Variance for Accessory Structure Size (Approved)
- ZHB26-06: Special Exception for Intensive Raising of Livestock (Approved)
- ZHB26-07: Special Exception for Keeping of Large Pets and Farm Animals (No Action) (Withdrawn)
- ZHB26-08: Special Exception for Intensive Raising of Livestock (Conditionally Approved) (Pending Written Decision)

Chickens and Goats... What does the Zoning Ordinance Say?

The Codes Office has seen multiple situations involving chickens, goats, and other livestock on residential properties in the Township. Because of the popularity of these animals, the Codes Department is providing information on what is required to lawfully keep these animals as part of your property.

Section 27-1604.1 of the Township Zoning Ordinance details the requirements of keeping non-domestic animals as an accessory to your home and has been in place since April 17th, 2001. This Section is titled "Containment of Large Pets and Farm Animals as an Accessory to Residential Use" and provides for the various requirements in order to be in compliance with the Ordinance.

1 – A Special Exception from the Zoning Hearing Board is required.

A Special Exception is a type of Permitted Use that requires review and approval of specific conditions by the Zoning Hearing Board. As long as an applicant can show that they are meeting all the requirements, a Special Exception is typically approved. However, each application is unique and varies based on the situation.

2 – The property owner must give permission for the animals to be there.

This is generally not an issue as many times the person applying is the property owner. This clause becomes a factor if you are the person NOT listed on the deed for the property. For example; a child living on a property owned by the parents, or a tenant who is renting a property

3 – The animals can only be for use by the occupants of the property in question and cannot be present for any type of commercial or business purposes.

Selling of eggs, milk, cheese or similar agricultural products from the property is not permitted under the Ordinance. If a Special Exception is granted and these types of uses are discovered, it would be a violation of the Zoning Hearing Board approval and

would result in enforcement action. (This exclusion only applies to residential properties under this Special Exception and not to any lawful farms or agricultural operations or those properties that have approved seasonal roadside stands.)

4 – There are land and space requirements.

For example, a maximum of 20 chickens or other fowl/poultry per acre, 1 horse or cow per acre. There are various quantities of animals based on species and all based around a minimum of 1 acre.

5 – All grazing or open space for the animals must be enclosed with a fence, and any manure storage must be 100 feet from any property line and inside the fenced in area.

Both manure storage and fenced in areas are required to be in the side and/or rear yards of a property. These requirements are to protect the animals and their well being as well as attempting to prevent the animals from causing concern or complaints from neighboring properties.

If you are considering having chickens or goats or similar animals on your property in the Township, or if you already have them and have not gone through the process to receive a Special Exception, please contact the Township Codes Department regarding how to get started.

Rental Properties

Any property in Londonderry Township that is being used as a rental, either short-term (AirBNB, VRBO) or traditional long-term rental, needs to register and the owner should contact the Codes Department about registration and inspection.

OLSDS Update (On-Lot Sewage Disposal System)

The Township On-Lot Sewage Disposal System Maintenance Program was established by Ordinance in 2013. This Ordinance was amended and updated on April 6th, 2026 by Ordinance 2026-4.

All septic systems in Londonderry Township are required to be pumped and inspected every four years. Only those pumper/haulers which are registered with the Township may perform pumping and inspection.

Property Owners will now have up to eighteen months (18) to report that their tank was pumped. An example of this would be a district that opens for reporting on January 1st, 2027 would have reports that are due on June 30th, 2028. Property Owners will now receive up to

five (5) notices advising them of the need to pump for their specific district. These will come at set intervals. The last letter will be a Notice of Late Reporting advising the Property Owner that the June 30th deadline has passed and that a report has not been filed.

As part of the Township's 2026 Fee Schedule, OLSDS pumping and reporting is \$25.00 when done in the cycle year for the district in which your property is located. Properties that receive a Notice of Late Reporting will have a \$50 late fee attached to bring the total owed to \$75.00. Please consult the table of districts and pumping cycles and contact the Township with any questions.

DISTRICT TITLE

REQUIRED REPORTING DEADLINE

Sewer District #1 & #2	June 30, 2027
Sewer District #3	June 30, 2028
On-Lot District B	June 30, 2029
On-Lot District A	June 30, 2030

NOTES: Per Section 18-119.3 of the Londonderry Township Code of Ordinances:

"No person other than a registered pumper/hauler business shall be permitted to remove septage from any On-Lot Sewage Disposal System (OLSDS) in the Township."

Any pumping report submitted from another pumper hauler not on this list for compliance with the Ordinance will be rejected.

Any registered pumper hauler with a (*) after the company name will remove septage from river island properties. Questions regarding this list may be directed to Londonderry Township at 717-944-1803.

Stormwater & Environmental Department

2026 Spring into Summer Workshops

Earlier this year the MS4 department hosted two different free workshops for Londonderry Residents. First, in partnership with Dauphin County Conservation District, we hosted the annual rain barrel workshop. At this event, residents were able to learn about how stormwater affects their property and the many ways that adding a

rain barrel can help. Residents were also given a demonstration on how to properly install the rain barrel they received for attending the event! Our second event, done in partnership with Dauphin County Master Gardeners, was focused on rain gardens. Residents sat down with a master gardener who discussed the best plants to use, and how to

properly take care of their garden!

Thank you to all who helped to make these events possible and keep an eye out for news about our Spring into Summer Workshops in 2027!

Conewago Creek Restoration

Continued from front cover

floodplain and 4,528 linear feet of creek while removing 145,000 cubic yards of legacy sediment. This restoration paves the way for native Pennsylvania plants and wildlife to thrive while providing residents with a vibrant natural space.

This project would not have been possible without the generous support of the National Fish and Wildlife Foundation, the Susquehanna River Basin Commission, and

the Pennsylvania Department of Community & Economic Development. Londonderry Township is grateful to these organizations for their invaluable support and grant funding, which made it possible to complete this important restoration project entirely through grant funds.

We are excited about the future of Conewago Creek and look forward to our residents being able to enjoy this site and Conewago Creek for years to come!

AFTER

Stormwater & Environmental Department

LONDONDERRY TOWNSHIP ILLCIT DISCHARGE AWARENESS

An illicit discharge is any discharge not composed entirely of stormwater, entering a Municipal Separate Storm Sewer System aka an "MS4" aka a storm drain.

An illicit discharge also includes any piping or drainage leading directly into a storm drain that was not initially placed during construction. MS4's are only intended to carry stormwater directly to streams and rivers. Any illicit discharges flowing into an MS4 can pollute the streams in the area, harming the wildlife and way of life of the people who use these streams.

How You Can Help?

The easiest way you can help is by disposing of liquid wastes properly and not allowing them to flow into storm drains. You can also check your storm drains near your home to make sure no pipes are flowing from your home which you were not previously aware of.

Examples of Illicit Discharges

- Sanitary Wastewater
- Septic Tank Effluent
- Chlorinated Pool Discharge
- Improper Oil/Radiator Flushing Disposal
- Laundry Wastewaters
- Spills from roadway accidents
- Improper disposal of household toxins

Exemptions

- Discharges from fire-fighting activities
- Fire hydrant flushing
- Potable water, including water line flushing
- Uncontaminated condensate from air conditioners, coolers, and other compressors and from the outside storage of refrigerated gases or liquids
- Irrigation drainage
- Landscape watering provided all pesticides, herbicides, and fertilizer have been applied in accordance with the approved labeling
- Pavement wash waters where no detergents are used and no spills or leaks of toxic or hazardous materials have occurred
- Routine external building washdown that does not use detergents
- Uncontaminated ground water or spring water

Emergency Contact List for Spill Response

- Scrap iron and steel, scrap vehicles

Royalton Recycling

3 Hollendale Street • Middletown, PA
717-944-4823

ITEMS THAT WILL BE ACCEPTED:

- Aluminum
- Copper
- Lead
- Insulated aluminum and copper wire
- Brass
- Radiators
- Steel

Public Works Department

Winter Maintenance and Snow Removal

Like it or not, it will be cold and snowy again soon. The Londonderry Township Public Works Department is ready for the winter season.

We are always looking to recruit part-time snow plow truck drivers, CDL and non-CDLs. If you or anyone you know is interested, please complete an application on the Township website.

When we are not performing winter maintenance on our roads, we will be doing other maintenance work on various Township roads such as tree trimming, pot hole repairs, street sign replacements and other maintenance repairs. To report a pot hole, please call 717-944-9440 or email to abrandt@londonderry.org. Please be alert for Work Area signs, equipment and Public Works employees.

The following are additional reminders for snow removal:

- Do not place snow on Township roads, in drainage ditches or over storm drains. If you have a storm drain in front of your property, please keep it clear of leaves and debris.
- If you have a basketball net that hangs over any portion of a Township road, please remove it. It is a hazard for passing vehicles, including garbage trucks, delivery trucks and especially snow plows that need to get close to the curbing and the edge of the road.

- Residents should take the time to secure loose or broken mailboxes, fences or other property that lies within close proximity to the roadways, to prevent damage from normal snow plowing operations.

- When snow falls, please be patient. Our crews salt 67 miles and plow 135 lane miles of Township and State roads. We will do our best to get a plow truck to your street as quickly as possible.

- If you clear your driveway before the street is plowed, pushing or blowing of snow into the streets is not permissible. When the plow truck comes by, the snow will inevitably end up back on your property. It is NOT the responsibility of the Township to clear the end of your driveway once the plow has passed through.

- When a snowstorm is forecast, remove all vehicles from Township roads so the entire road can be plowed.

- Plowing main arteries will be our first priority, followed by secondary roads and then developments.

- Sidewalks and fire hydrants must be cleared within 24 hours after the end of a snow or ice event.

Please call the public works department at 717-944-9440 with any questions or concerns relating to potential roadway and/or winter maintenance.

New Water Meter Pits

Londonderry Township completed the installation of new water meter pits along River Road as part of its ongoing efforts to improve the reliability and efficiency of the water system. A majority of the existing water meters were outdated and malfunctioning, resulting in inaccurate water usage readings and increased maintenance requirements. The new meter pits provide more accurate metering, enhanced system reliability and improved service for residents. The installation work was completed by DSW Services, LLC while the engineering design and project oversight were provided by HRG.

Road Projects Planned

In 2027 we have several road projects planned. If you drive Roush Rd, you may have noticed that we replaced storm sewer pipes in 2026, in advance of performing a total reconstruction, also known as a Full Depth Reclamation, in 2027. This will widen the road from its current 18ft width, and have a new paved surface. There are other projects planned for 2027. Check on the Township website and the Township's Facebook page where all road work will be posted.

Vehicles Parked on Roads During Winter

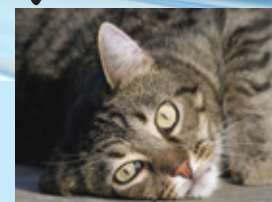

Vehicles parked on Township roads during snow storms are not only a hindrance to properly clear the road, but also pose a safety hazard to the vehicle and Township equipment.

During all snow events, please remove all vehicles from the road until the snow is cleared.

If any vehicle(s) are parked in any area that will make our job more difficult, your road will not get plowed until the vehicle(s) are removed from the road.

If you don't have room to park your vehicles in your own driveway, ask a neighbor who might have a space to park.

THE HUMANE SOCIETY OF HARRISBURG

7790 Grayson Road, Harrisburg
(717) 564-3320

**SPAYING/NEUTERING BY
APPOINTMENT ONLY**

**NO APPOINTMENT IS NEEDED
TO SURRENDER ANIMALS**

Animal Surrender Intake Vouchers

— Animal Surrender Intake Vouchers are for stray cats and dogs. Before bringing animals to the Humane Society, Londonderry Township residents must first obtain an intake voucher at the Township office, Monday - Thursday 8am - 4pm and Fridays 9am- 2pm. Proof of residency is required.

The Humane Society now offers low-cost TNR services. They can accommodate up to 2 walk-ins per day on Monday, Tuesday, Thursday and Friday. The cost is \$50 and includes spaying/neutering, ear tip and vaccines. No appointment is needed. Residents can also schedule TNR appointments by calling 717-702-7330 to guarantee an appointment for a specific day.

Dog Licenses — Residents may purchase a license online at **PADogLicense.com**. Lifetime licenses are available at the Treasurer's Office at **DauphinCounty.org**.

RABBIT TRANSIT

Most of us rarely have to think twice about how we'll get to a doctor's appointment, go to work, pick up groceries, or spend time with the people we love. But for many of our neighbors, getting there depends on someone else showing up.

Every day, rabbittransit, Central Pennsylvania's public transportation organization, provides a shared ride (also known as "paratransit") service that helps older adults, veterans, people with disabilities, and other members of our communities stay connected to the lives they've built. A ride can mean making an important medical appointment. It can mean another day of independence. Sometimes, it simply means being able to go somewhere others might take for granted.

And behind each of those rides is a driver.

Paratransit drivers do far more than travel from one address to another. They become familiar faces, helping hands, and dependable connections to the community. Their work gives people the freedom to keep moving forward—and there is an ongoing need for caring, reliable people willing to take on that role.

For those who have ever considered a career with a greater sense of purpose, public transportation offers an opportunity to serve close to home while building valuable professional skills. rabbittransit also provides free CDL training, helping individuals develop skills that can open doors to additional opportunities in public transportation.

Our communities are strongest when people can continue participating in them—regardless of age, ability, or access to a vehicle. Making that possible takes people who are willing to show up for their neighbors.

Sometimes, being the keystone of your community starts behind the wheel.

To learn more about paratransit driving and career opportunities with rabbittransit, visit rabbittransit.org/jobs.

Community Outreach

Londonderry Lionettes

The Londonderry Lionettes meet at Geyers United Methodist Church, 1605 S. Geyers Church Road in Middletown, at 1:00 p.m. on the first Wednesday of March thru May, and September thru November. Special activities are held in June and December. Our goal is to provide community service projects for residents in Londonderry Township and nearby communities.

Programs for Fall:

- **September 2** – Make surprise gift bags for Merakey and Londonderry Township's Meals on Wheels recipients.
- **October 7** – JoAnne Tresco, PA Senior America Queen
- **November 4** – Jim Davis "All About Honey"
- **rojects for Fall:**

October

- Provide surprise gift bags for residents at Merakey.
- Provide healthy snack bags for Meals on Wheels recipients in Londonderry Township, as well as our two adopted grandparents at Oakhill Retirement Home.

November

- Donation to the Middletown Food Bank.

December

- Christmas shopping for our two adopted grandparents at Oakhill Retirement Home.
- Provide hats and gloves for Christmas baskets made by Londonderry Elementary School students.

ONGOING PROJECT: Collecting used eyeglasses (see separate article) for the Pennsylvania Lions Club. To date, the Lionettes have collected 2,676 eyeglasses since the project began twelve years ago. They also collect aluminum tabs from beverage cans and other canned goods for the Ronald McDonald House.

WELCOME TO LONDONDERRY TOWNSHIP

The Londonderry Lionettes have compiled an information kit on Londonderry Township to welcome new residents to our area. It includes happenings and things of interest in Londonderry Township and the surrounding area. If you are a new resident and are interested in receiving a kit, call Deb Weaver at 717-944-2223.

Membership in the Londonderry Lionettes is open to all ladies in Londonderry Township and the surrounding communities. Help the Lionettes make a difference by helping those less fortunate. For more information, call Louise Morgan at 717-944-6518.

Meals on Wheels

MEALS ON WHEELS VOLUNTEERS NEEDED IN LONDONDERRY TOWNSHIP

The Dauphin County Area Agency on Aging provides a well-balanced hot meal for delivery to residents in Dauphin County who have been determined to be eligible for the program by the Agency's Care Management Unit.

WHO IS ELIBIBLE TO RECEIVE MEALS ON WHEELS?

- Individuals over the age of 60.
- Individuals who are home bound due to physical, mental, or emotional disabilities and without a caregiver who can provide meals on a regular basis.

Meals are delivered five days a week by volunteers who observe, in their brief contact, the well-being of the homebound individual receiving the meal. If a holiday should fall during the week, the individual will receive a hot meal for the day of delivery as well as a frozen meal for the holiday.

ARE MEALS FREE?

Recipients are encouraged to make a voluntary contribution toward the cost of the meals according to their financial ability.

To become a volunteer, call Louise Morgan, Londonderry Township's Meals on Wheels Coordinator at 717-944-6518 or email Louise at Imm32@verizon.net. You can sign up to deliver any number of days depending on your availability.

To request home delivered meals, please call the Dauphin County Area Agency on Aging at 717-780-6130 and ask for Intake.

V.I.P. Senior Van Service

The V.I.P. van service is for seniors, 65 and over, who are residents of Londonderry Township. The van provides transportation to and from doctor and hospital appointments. If possible, other locations within Dauphin County may be scheduled. The van is not handicapped accessible. Residents must be able to get in and out of the van without assistance. There is no charge for this service.

This service is only possible through the efforts of volunteers. We need volunteers to take phone requests and to schedule drivers. We also need volunteers to drive the van. A valid driver's license and a clean driving record is required. Both of these volunteer opportunities can fit anyone's schedule.

For more information, please call V.I.P. Van Service at 717-317-3402 between 10:00 a.m. and 12 Noon, Monday thru Friday. The van does not operate on weekends.

☐ Fire Police

☐ Fund Raising

Please list times available: _____

Change Lives One Pair At A Time

The Londonderry Lionettes are collecting used eyeglasses. The eyeglasses are sent to a local Lions Club who forwards them to the Lions Eyeglass Recycling Center, where they are cleaned, sorted by prescription strength, packaged, and distributed to residents in need in low and middle-income communities. The Lions Club does not accept sunglasses, eyeglass cases or loose lenses. To date, the Lionettes have collected 2,676 pairs of eyeglasses since the project began 12 years ago.

Help the Ronald McDonald House

Aluminum tabs from beverage cans and canned goods are collected (if the tab doesn't stick to a magnet, it's aluminum.) The tabs are sent to the Ronald McDonald House in Hershey which sells the tabs to a local recycling company. Funds generated help support their programs.

Collection boxes for both of these programs have been placed at Karns; Londonderry Elementary School; Evangelical U.M. Church; St. Peters Lutheran Church, Presbyterian Church, Church of God; Geyers U.M. Church; New Beginnings Church; Middletown Public Library; Sharp Shopper; Londonderry Township Building; Londonderry Fire Company, and Zion Lutheran Church.

Other sites are being sought as well. If you would like to have a collection box in your workplace, church or business to help support either of these programs, please contact Anita Housman at 717-756-7467 or Louise Morgan at 717-944-6518.

Recreation

BOCCE BALL

BOCCE BALL FOR FALL 2026

Registration is now open for Londonderry Township's Fall Bocce League. Games will be played on Monday mornings at 9:00 a.m. September 14th thru October 19th.

If you are interested in playing bocce, you can sign up as an individual or as a four person team. Bocce is easy to learn and provides an opportunity for socializing, exercising, and getting to know new people.

If you would like to sign up or would like more information, call Louise Morgan at 717-944-6518.

WINNERS, SUMMER LEAGUE

Winners of the Summer Bocce League were announced at the end-of-year picnic and trophies awarded as follows:

**Monday Morning
League First Place
Winners Team 4:**

*Deb Kepner and Allen
Jacobs. Not pictured:
Ann Kopp and Sue
Gardner.*

**Monday Evening
League First Place
Winners Team 8:**

*Warren Cooper,
Ruth Smith and Deanna
Paul. Not pictured:
Karen McLellan.*

**Tuesday Evening League First
Place Winners Team 9:**

*Back Row, JoAnn Schaffner,
Cindy Obenstine, Edgar Obenstine
and Patti Obenstine.
Front Row: Cheryl Koch.*
